Re: Golden State General Contractors

To Whom It May Concern,

I confidently recommend Marko Ribich with Golden State General Contractors for any future construction and contracting needs. I had the pleasure to work with GSGC in August 2013 on a project for an exterior staircase. GSGC worked diligently and communicated well with my staff to successfully complete the project. Manpower and procurement were managed well and as adjustments were required GSGC smoothly made those adjustments to enhance the flow of construction progress.

I am confident that we will be using Golden State General Contractors in the future. Again, I highly recommend GSGC and if you have any inquires please feel free to contact me directly.

Sincerely,

Brittany Gale
